

MISSION : COUNTER HUMAN TRAFFICKING AND PROVIDE HOLISTIC RESTORATION

STRATEGY : EDUCATE AND MOBILIZE ABOLITIONISTS TO PREVENT VICTIMIZATION, RESCUE VICTIMS AND RESTORE SURVIVORS.

VISION : SERVING COMMUNITIES AROUND THE WORLD UNTIL THEY ARE FREE FROM SLAVERY AND HUMAN TRAFFICKING.

PREVENT

Our ultimate goal is to prevent trafficking from ever happening. With more awareness, education, resources, prayer, focus, laborers, and voices, we can end human trafficking in our lifetime. Also, by addressing the DEMAND (the production, consumption and addiction to Pornography), we can significantly reduce the millions trafficked by preventing the supply of bodies for this twisted pleasure.

Our strategic Rescue Operations are designed to coordinate with local, state, and federal law enforcement agencies to investigate and engage known trafficking communities. By doing this, we are able to identify and safely remove victims from danger and coordinate with law enforcement to bring perpetrators to justice.

RESCUE

RESTORE

Rescue 1 Global believes in a holistic approach to aftercare and recovery. We are currently housing girls (ages 10-17) and women (over the age of 18), from all over the U.S., in multiple safe homes in Nashville called Grace Oasis. Additionally, we are providing reintegration services to women and men who are survivors of human trafficking. Our programs provide safety, healing, unity and empowerment to survivors through trained caregivers, counselors and volunteers.
